

You can organise a fundraiser in your workplace to coincide with the 'Great Shake-Up' on Thursday 8 October.

Some thought-starters:-

- **A barbeque/sausage sizzle** (the event's at lunchtime and everyone needs to eat!)
- **A raffle** (whether it's a meat tray or a holiday, everyone loves a raffle. We'll even throw one of our snowdomes in as part of the prize! *)
- **An auction** (use your talents and those of your fellow colleagues to raise money. Employees from all levels offer their expertise, from an hour's coaching with a work situation to cooking someone a meal or teaching them to play the guitar.)
- **A bake sale** (everyone loves a piece of cake and some people are very competitive about baking! Charge colleagues per slice and ask them to mark each slice out of ten!)
- **Coffee drought** (replace your morning coffee with a donation! You'll be amazed how quickly your impact on cancer research accumulates.)
- **Ask your HR department** (some employers will match funds raised by their staff)
- **Publicise your event** - and don't forget to share photos and stories on social media afterwards - **#shakingthingsup**
- **Donate** (encourage those watching the event to donate to help Snowdome 'make hope real' for Australians with blood cancers.)
- **Any idea is a good idea!**

All funds raised can be donated quickly and directly to Snowdome - click [here](#) to see how!

* email us - info@snowdome.org.au - if you'd like us to send you a snowdome for a raffle prize.
